

Oxfam Canada and Fair Trade Kamloops present

ONE CUP AT A TIME

Creating positive changes for the planet and its people

Adina Gray— *MBA Student Researcher, T.R.U.*

What is Fair Trade and where can you buy Fair Trade coffee? Find out how your coffee choices can improve the livelihoods of poor farmers and protect the environment.

Caffeine Downtown

Robert Fox— *Executive Director, Oxfam Canada*

What is the link between (fair) trade and climate change and how does it relate to women's rights and gender justice? How can developing countries confront the challenges posed by climate change?

Nature's Fair Markets

Tuesday, May 18th

7:00-8:30pm

Thompson Rivers University
International Building, Room 1020
